**100 Pure Thoughts**

Cultivating Purity One Thought at a Time

Joe Kirby | November 2022

Paperback ISBN: 978-161958-346-7  
 Price: \$12.99 | 120 pages

*"The word 'purity' is about as attractive to our sinful nature as the word 'bath' is to a four-year boy. But Jesus warned us in the Sermon in the Mount that only the pure in heart will see God. What does that mean? My friend, Joe Kirby, answers that question and addresses this most necessary subject in this timely and biblical publication."*

—Ray Comfort

Author, and Evangelist at Living Waters

From Joe Kirby of Off the Kirb Ministries, with over 800,000 subscribers to his popular YouTube Channel, a devotional for believers wrestling with pornography, lust, and other sexual sins. Each "thought" begins with a Bible text which is applied to sexual sin and how to overcome it. There are also many unique illustrations as every man's mind is a picture gallery. Sexual sin is a visual sin, so therefore the best way to combat it is with visual illustrations and personal stories which engage the reader. But above all, this devotional is Gospel-focused. Only Jesus can break these chains, sometimes gently with grace and other times he shatters the fetters with the words from His mouth. A balance of stern warnings and compassionate reminders of who the Son of God is.

JOE KIRBY is an Evangelist who is involved in open air outreach and producing Gospel videos for his YouTube Channel Off the Kirb Ministries. He is married to Emma, and they have a little boy, Samuel. They live in Lancashire, England.

**Essential Christianity**  
A Handbook of Basic Christian Doctrines

**Dr. Walter Martin | November 2022**

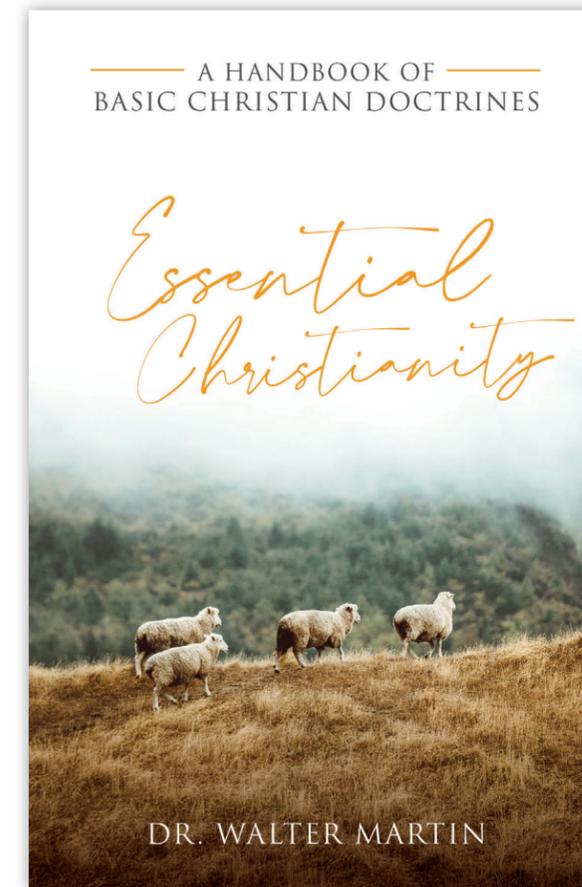

Paperback ISBN: 978-161958-344-3  
Price: \$12.99 | 150 pages

*“...It takes considerable mastery of a subject and great communication skills to be able to write a book which carries the reader along with verve and panache and yet also convey ideas simply. This Josh Moody does outstandingly well...”*

—David Baker  
Church of England Newspaper

In *Authentic Spirituality*, Josh Moody describes the world in which we live, and then leads the reader to a rediscovery of real biblical faith. A previous version of this manuscript was published over twenty years ago in the UK. This version is updated with a whole new section that brings into light the importance of community and church to live out this authentic spirituality in practical daily life.

Published originally in the 1970's by the late Walter Martin (1928-1989), "The Bible Answer Man." *Essential Christianity* is a readable explanation of the most important Christian teachings, with answers to such vital questions as:

- Is the Bible completely true?
- How can God be three in one?
- Is Christ really God and man?
- Who will be saved in the end?

... plus dozens more crucially important questions about God, man and the universe. *Essential Christianity* will give you the answers you need in our confusing world of cults, half-truths, and religious confusion.

JOSH MOODY is author of over a dozen books. He holds a Ph.D. from the University of Cambridge and is the Senior Pastor of College Church in Wheaton. He is the president and founder of God Centered Life Ministries, which proclaims God's Word worldwide through daily broadcasts on Moody Radio, One Place, podcasts, and live-streaming on [godcenteredlife.org](http://godcenteredlife.org).

DR. WALTER RALSTON MARTIN (1928 - 1989), was a Christian apologist who founded the Christian Research Institute in 1960 specializing in information in both general Christian and counter-cult apologetics. He is best known for his long-running radio program, "The Bible Answer Man," and as author of the definitive work on cults, *The Kingdom of the Cults*.

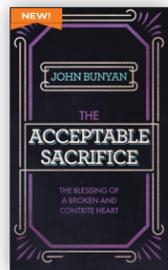

# The FAITHESSENTIALS Series

If you could recommend just one book other than the Bible, what would it be?

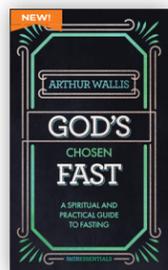

At CLC, we strive to make sure that all the books we publish will help believers grow deeper in Christ, but there are some authors from across the centuries who stand apart.

Their works have such a universal message that they become essential reading for the Christian. Both timeless and timely, these classic writings have an approach to faith that is increasingly rare in our culture.

CLC's FaithEssentials Series is our attempt to bring these books together in a simple, attractive, and low-cost format that will allow you to add a growing number of classics to your bookshelf.
